

Private Affairs Band

The inspiring style of what has been described as “Fusion”, a marriage of R&B, Funk, Soul, Rock n Roll, Hip-Hop, Jazz, and the rhythm and soul of the Washington D.C.(DMV) surrounding area most notably referred to as Go-Go, has been balled into one new category to be introduced to some and known to others as DC SOUL MUSIC. DC SOUL MUSIC, a term created by the Private affairs Band to describe the energy , excitement of all the above categories of music which are illustrated at each and every Private Affairs Band Show.

Established in 2011, Private Affairs Band is a merger of talented musicians from the DMV. “We are a band because we are more than a band” says Co-manager and Co-Owner Michael Anderson. “Each musician is carefully selected.
